About Us

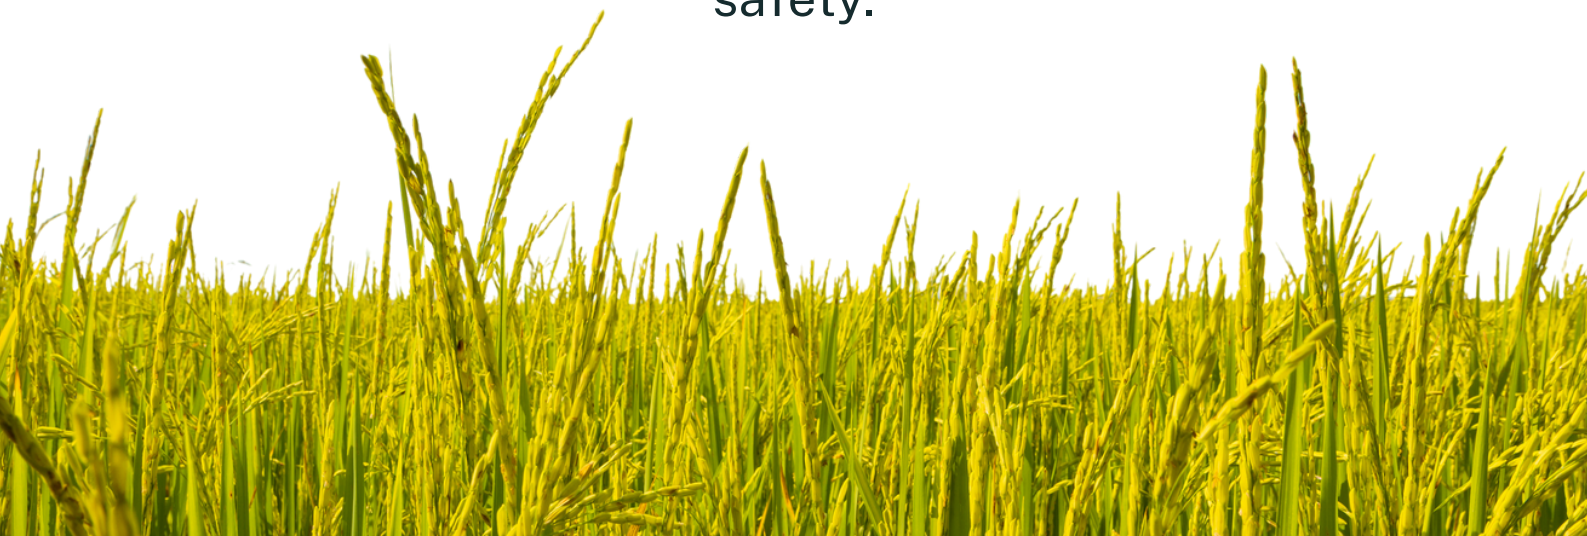

Bin Ramzan Foods (Pvt) Ltd proudly expands its legacy to Dubai with the inauguration of our first international branch. Hailing from Bucheki, Nankana Sahib - Punjab, Pakistan, we bring 32 years of Basmati Rice expertise to this dynamic city. This strategic move reflects our commitment to global excellence, offering premium rice products and fostering enduring international relationships. Discover the unparalleled taste of Bin Ramzan Foods (Pvt) Ltd as we embark on this journey of culinary distinction.

“Our Mission”

At Bin Ramzan Foods (Pvt) Ltd our mission is to stand as a global leader in providing premium Basmati Rice, fortified by more than three decades of steadfast dedication to quality and food safety.

Our Vision

Vision

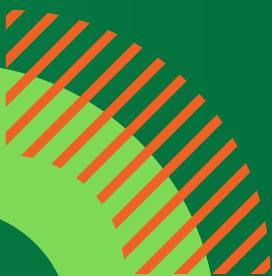

Bin Ramzan Foods (Pvt) Ltd aspires to position its premium Basmati Rice as a global symbol of culinary excellence. Committed to innovation and industry leadership, we leverage advanced technology to consistently deliver the highest quality products to our esteemed customers.

AROMATIC SUPER BASMATI RICE

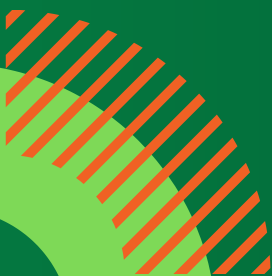

Sourced from the fertile regions of Punjab and Sindh, Super Basmati Rice, hailed as the 'King of Rice,' is meticulously selected for its super quality. Embraced by restaurants, catering companies, retail stores, supermarkets, hypermarkets, and the hotel industry, this rice variety is renowned for its delightful flavor, aromatic profile, and ease of cooking. This is decidedly the most popular variety of the Basmati family in Europe, USA & Canada. It is the single major rice export from Pakistan in Brown Cargo Form to the EU & UK where it goes under further processing to meet consumer demand on fresh aroma.

KAINAT 1121 BASMATI RICE

Experience the culinary excellence of our 1121 Basmati Rice, celebrated for its long grains, superb cooking quality, and delicate flavor. Cultivated in the plains of Punjab, Pakistan, watered from the pristine, snow-fed valleys of Himalayan mountains and the Monsoon rains, this variety, especially in the Pre-Steamed form has quickly gained global recognition for its extra-long and exceptionally tasty profile. Ideal for biryani, fried rice, and pulao, our Basmati Rice ensures light, separate and fluffy grains post-cooking, delivering an exquisite dining experience.

PK-386

PK-386 Long Grains, a non-aromatic Basmati rice variant, visually echoes Super Kernel Basmati while maintaining its distinct culinary appeal. Recognized for its thin, slender, and non-sticky kernels, PK-386 stands out for its excellent cooking performance. Popular in Middle Eastern and Asian rice markets, it is available in three milling processing – PK-386 White Rice and PK-386 Sella Rice and Pre-Steamer catering to diverse culinary preferences with better adaptability.

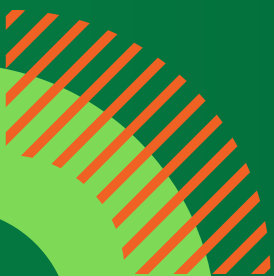

CHENAB BASMATI

Indulge in the aromatic excellence of Basmati Bliss, grown in the fertile plains of Pakistan, offering a fluffy texture and enticing fragrance. Chenab Charm Basmati, sourced from the pristine banks of the Chenab River, embodies a unique charm with slender grains and a rich aroma. Each variety is a testament to our dedication to delivering the finest quality rice, ensuring a delightful dining experience that transcends boundaries.

1509 EXTRA LONG GRAIN

Savor excellence with Bin Ramzan Foods (Pvt) Ltd's 1509 Long Grain Rice. Grown with precision, this rice variety boasts slender grains and a distinct aroma. Elevate your dining experience with the premium quality of 1509 Long Grain Rice, a testament to our commitment to culinary perfection.

Affiliation and Leadership at Bin Ramzan Foods (Pvt) Ltd

AgriteQ 2023: Pakistan Pavilion receives good response from customers, trading companies

Ten Pakistani companies participated in AgriteQ, displaying their products in the agriculture, livestock, and food industries. The companies were selected on the basis of their diverse product profiles and export potential.

The Pakistan Pavilion at the 11th edition of the International Agricultural Exhibition (AgriteQ 2023), which was held at the Doha Exhibition and Convention Center (DECC) recently, received a significant response from customers and trading companies.

Ten Pakistani companies participated in this year's AgriteQ, displaying their products related to agriculture, livestock, and food industries. These companies were selected based on their diverse product profiles and export potential.

To guide the companies on the requirements and opportunities of the exhibition, the Trade Development Authority of Pakistan organized an interactive session between the exhibitors and the Pakistan Embassy on March 1. During the session, Trade and Investment Attaché at the Pakistan Embassy, Saeed Ahmad provided guidance for participation in the event and briefed the exporters about the potential of agro and food products in the Qatari market.
